

# T28X LLC – Media Kit

## About Us

### **Business Model: Content Publishing, Reviews, and Affiliate Marketing**

T28X LLC builds and manages a portfolio of digital publishing sites that help readers make clear buying decisions in hosting, WordPress, SaaS, ecommerce, and consumer tech.

We focus on evergreen reviews, tutorials, and buyer's guides. All properties are powered by WordPress and Kadence Pro, which gives us speed, security, and design consistency. Our approach mixes SEO growth with email newsletters so partner brands get exposure both in search and in inboxes.

## Core Network (2025 focus)

- WhyWP.com – WordPress tutorials and evergreen guides
- WebHostBeginner.com – Hosting reviews and comparisons
- WebSpeedBeginner.com – Website speed & optimization
- EmailBeginner.com – Email marketing platforms & tools
- ThemeBeginner.com – WordPress themes & customization
- PluginBeginner.com – Plugin reviews and comparisons
- SafeBeginner.com – Security, safes, and protection tools
- PowerBeginner.com – Solar, generators, backup power
- DeviceBeginner.com – Smart devices, laptops, consumer gear

## Extended Network (2026 sites)

- EcommerceSutra.com – Ecommerce growth and tools
- KDPBeginner.com – Publishing on Amazon KDP
- EbikeBeginner.com – Electric bikes and gear
- 3DBeginner.com – 3D printing and design basics
- SearchBeginner.com – SEO and search growth
- KeywordBeginner.com – Keyword research tools
- IndieBeginner.com – AI tools for indie authors
- ...and 50+ additional properties in markets with strong search demand, proven buyer intent, and audiences that trust and convert.

## Why Work With Us

- Authority & Trust: Our content ranks in tough niches by showing expertise, transparency, and depth. Readers return, and search engines reward us.
- Focused Niches: Hosting, SaaS, ecommerce, WordPress, devices, and more.
- Long-Term: Sites are built for sustainable traffic and conversions, not quick churn.

## Let's Work Together

T28X LLC is committed to strong affiliate partnerships. We feature brands through reviews, comparisons, tutorials, and newsletters, always with transparency and practical value to readers.
